DEAR VALUED PATIENT,

Welcome to the San Diego Eye Bank® (SDEB®) Excimer Laser Center and congratulations on your decision to have laser vision correction surgery to reduce or eliminate your independence on glasses or contacts. Thousands of people just like you have opted to undergo laser vision correction surgery at the San Diego Eye Bank.

Since our inception in 1996, the SDEB Excimer Laser Center has performed over 25,000 procedures making us one of the largest open-access Excimer laser facilities in North America.

The SDEB Excimer Laser Center has highly trained and certified laser technicians. We are here to make you feel comfortable, answer your questions, and assist you and your physician before, during and after your surgery.

Your ophthalmologist is a certified VISX® and INTRALASE® trained physician and maintains the privilege of performing refractive surgeries at the SDEB Excimer Laser Center.

State-of-the-art equipment found at the San Diego Eye Bank includes:

As a San Diego community resource, you will be pleased to know that by using the SDEB Excimer Laser Center you and your physician are also supporting the San Diego Eye Bank, a non-profit organization. As the largest eye bank in California, the San Diego Eye Bank is committed to the restoration and preservation of sight. Through our Gift of Sight program, we proudly have helped restore sight to over 30,000 individuals in the United States who suffered from corneal blindness.

Every time laser surgery is performed, it indirectly helps foster the programs and goals of the San Diego Eye Bank. Our Gift of Sight program invites you to leave your old glasses which will be donated to a humanitarian association helping those who cannot afford them. This is one of the positive ways to help us in *Creating a World of Vision®*.

On the day of your laser procedure, it is important to remember the following:

- ARRIVE 30 MINUTES PRIOR TO YOUR SCHEDULED PROCEDURE TIME
- DO NOT WEAR MAKEUP, COLOGNE, EARRINGS OR CONTACT LENSES
- DO NOT USE FACE OR EYE CREAMS THE DAY OF THE PROCEDURE
- WEAR COMFORTABLE CLOTHES
- ARRANGE FOR A RIDE HOME
- PLAN TO BE AT THE LASER CENTER FOR 1 HOUR
